..... Postcode:

School details

Current early years setting/
school/college:

We would like to hear any comments you may wish to make about your child to help decide whether an Education, Health and Care (EHC) needs assessment is appropriate. A copy of this will be sent to professionals who we will be contacting should we decide to go ahead with an assessment. If there are particular professionals whom you would like us to contact, please let us know. Please refer to the leaflet *Our Story - Parental contribution to an Education, Health and Care needs assessment*.

You may find the headings below helpful, but they are only provided as a guide.

My child's early years – until starting school

What is your child like now?

Learning achievement and educational progress

What is going well?

What needs to change?

How will that change make a difference to your child?

Friends and relationships

What is going well?

What needs to change?

How will that change make a difference to your child?

Health and wellbeing

What is going well?

What needs to change?

How will that change make a difference to your child?

Writing your child's EHC plan

When we are writing the plan we want to include your views as part of it. From what you have told us what are the most important things for us to include about your child?
(Approximately 250 words)
